THE ULTIMATE HIGH PERFORMANCE REPLACEMENT WINDOWS AND PATIO DOORS

eXtreme® 3000
by NORANDEX

series 3000

REPLACEMENT WINDOWS

The eXtreme® Series 3000 double hung replacement window – dependable, energy-efficient construction at an economical price. Classic styling and durability, a valued addition to our window tradition.

eXtreme® by Norandex Series 3000 windows are the energy-efficient, cost-saving solution that you need to take a look at. Most windows with these dependable features that can stand several decades of wear and tear without any reduction in performance or appearance are usually more expensive. Stylish and dependable, the Series 3000 might be just the answer you are looking for.

How does Low-E glass actually help in the home?

In the summer, Low-E glass reduces heat gain from the sun to help keep homes cooler.

In the winter, Low-E glass lets the warm, solar rays in while blocking the heat in the home from getting out.

Picture Windows

Bay & Bow Windows

Vinyl bay and bow windows enable you to create window seats, breakfast nooks and other options. You can choose from a variety of styles, from 3 - to 5-lites, or select double hung or casement windows to flank the middle picture. The flankers open to provide ventilation. Bay and bow windows arrive completely assembled and are simple to install and customize.

Casement Windows

Versatile vinyl casements crank open easily to provide ventilation for cleaning. They come in a range of styles, from single vent to 5-lite combinations of fixed and operating units.

Casement

Awning

Awning Windows

Crank open the vinyl awning window to let in as much fresh air as you want. Window opens to outside, keeping indoors dry even on rainy days.

Garden Window

Garden Windows

Garden windows project 17 1/2" from outside wall. The window inside depth is 15 1/2" providing a generous area for plants, picture frames or added room space, with lots of energy-efficient and maintenance-free features. The roof glass panel features safety laminated glass for added protection. Easy to install and virtually maintenance free. Casement vents have a multi-point locking system with dual locking points on heights over 3 3/4".

Hopper Windows

The all-welded eXtreme 600 Basement Hopper window is available in white with clear glass, and features dual tilt latches.

The window is available in three stock sizes:
